REACHLaw Ltd extends its REACH services to Gulf Region

Helsinki, Finland – REACHLaw Ltd, a leading international Helsinki-based REACH services company, extends its services to the Gulf Region by establishing a partnership with DUCOM DMCC of Dubai.

REACHLaw provides Only Representative and other REACH services to a wide range of clients globally, with the aim of securing the access of the non-EU chemicals exporters to the EU market in the era of the new EU chemicals legislation, REACH. The company has subsidiaries and representatives in all the key markets around the world.

In order to strengthen its organisation even further to be able to address the rapidly increasing international demand for services, REACHLaw has now formed a partnership with the DUCOM DMCC, which will represent REACHLaw locally in the Gulf Region.

Strategically located at the crossroads of Europe and Asia and with access to large emerging markets, Dubai is set to promote regional industry growth, enhance local industry through implementation of international standards, and become the first dedicated commodities centre between Europe and the Far East.

“Having a local presence in Dubai improves significantly our ability to act in the strategically important Gulf Region. REACHLaw is committed to provide first quality

REACH services to customers in this region”, **Lasse Musakka**, the CEO of REACHLaw, stated.
